**Re: United States v. Richard Enrique Ulloa
10 CR 321 (TJM)**

Dear Judge McAvoy:

The government makes the instant letter-request pursuant to Defendant Richard Enrique Ulloa's *Motion to Extend Time for Pre Trial Motions*. See Attachment A. The government received said motion on August 19, 2010. *Id.*

The government consent's to defendant's motion requesting "two weeks (2) in order to submit a few Motions that are in the works right now." *Id.* Defendant further acknowledges that he "understand[s] that this will move ALL the dates forward, but the additional time is needed in the pursuit of justice." *Id.*

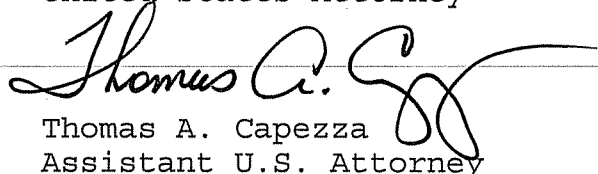

The government requests that the additional time be excluded
